

RESEARCH INTERN

5hrs/wk (flexible), remote, volunteer position

The Banquet Network was started in 2017 to **inspire, equip, and resource** churches to include people with disabilities. The Research Intern will be a highly energetic, passionate, and self-starting individual who will assist in doing background research and developing content for church trainings.

RESPONSIBILITIES

- Identify, read, and synthesize academic and popular-level works on disability inclusion and the church.
- Create user-friendly documents, presentations, and resources from the above.

QUALIFICATIONS

The candidate will be thoroughly committed to The Banquet Network's mission and values. All candidates must demonstrate a mature Christian faith, good standing and involvement in a local church, and a demonstrated commitment to disability inclusion.

DESIRED QUALIFICATIONS INCLUDE

- Passionate, accountable, positive, mission-driven, and self-directed.
- Excellent writing and communication skills.
- Experience conducting literature reviews or similar research projects.
- Working knowledge of Microsoft Office (Excel, Word, Outlook) and search engines/databases such as Google Scholar.
- Familiarity with Canva or other design platforms.

Prior to applying, all applicants must review our Doctrinal Statement, Mission Statement, and Values and be in agreement with both.
